ONLINE PAYMENT USERS MANUAL (Version 1)

Developed and Integrated by National Informatics Centre
with assistance of the Bombay High Court Computer Centre

INTRODUCTION

The Department of Treasuries, Government of Maharashtra has introduced an e-challan payment gateway also known as **Government Receipt Accounting System (GRAS)**. Revenue associated with various departments of the Government are handled by this system. The Bombay High Court has decided to use this system for initiating a E-Court Fees Payment project.

The E-Court Fees Project envisages litigants and advocates to make the court fees payment online using the GRAS website and their netbanking account with any of the registered banks in the GRAS website. This activity is to be done prior to filing of the relevant case or document in the High Court. The payment receipt also called Challan receipt would need to be attached along with other documents during the filing process in the High Court.

The High Court Registry would verify the authenticity of the receipt using the linkage of the High Court Case Management Information System (CMIS) to the GRAS system. The filing would be allowed to proceed after successful verification of the details in the challan with those in the presentation form. Subsequently during scrutiny of the case papers, the Challan would be defaced by the Registry.

In the following pages, procedure of making e-payment of court fees is explained in an illustrated manner.

Step 1 : The GRAS system has to be accessed using address <https://gras.mahakosh.gov.in> Please ensure you prefix https and not http in the address. The home page screen shot is given below with 3 annotations which are explained underneath.

Annotation 1 : You can use this link to proceed to pay the Court Fees without being a registered user in the GRAS system. This is a quick payment method and the drawback is once the process of payment is completed and a print of the challan taken, no record would be accessible to the payer in future.

Annotation 2 : You can register here with the GRAS system and then proceed to pay online, the Court Fees. Once a registered user, all payment records are retrievable and printable later whenever required. There is a detailed User's guide available on the GRAS website for purposes of operating a registered User account. Please download and read the same at https://gras.mahakosh.gov.in/echallan/Common/gras_manuals/registration_user_manual.pdf

Annotation 3 : The list of Banks registered in the GRAS system is given here. Users of the system would need to have a net-banking enabled account with any of these banks to make the court fee payment.
